

Parent and Student Orientation

Plano - 972.867.6544

Frisco - 469.242.0860

Coppell - 972.906.8825

Colleyville - 817.577.5431

Flower Mound - 214.285.3500

Live Online Orientation

We strongly encourage enrolled students and their parents to attend an orientation. The orientation explains our recommendations for testing and how to get the most out of your KD activities. As a precautionary measure and for your convenience, all May and June 2020 Orientations will be live online sessions. Once our on-campus activities resume, we will offer in-person orientations in addition to online options. Once you have registered and paid, you will receive instructions for attending the live online orientation. Our orientations are conducted by grade level so that we may give you the most targeted advice specific to your current place in the college admissions journey.

Initial Diagnostic Testing

Although we typically require students to take an initial Diagnostic Test, we are changing that requirement this year to make things more flexible for our families. New students can now choose from the following options:

1. Submit recent national test scores (PSAT, SAT®, or ACT®).
2. Take the Diagnostic Test at home. This option is ideal for students who have not taken any national tests or who would like to get an updated score.
 - a. The test takes approximately 3 hours, and we will provide the testing materials and instructions online. You may also pick up a copy of the test at one of our campuses. We believe the best way to test is taking a “paper / pencil” printed exam, just as you will on national test day.
3. Attend lessons without taking a diagnostic test or submitting scores. Be aware that if you choose this option, we will not have a baseline score for you. It is helpful for us to have a baseline score to give you the best advice and placement possible.

Registration and payment must be received at least 24 hours before orientation so that we can deliver meeting links and materials to you.

Live Online Orientations are grade specific:

- 9th grade (Class of 2024): See page 2
- 10th grade (Class of 2023): See pages 3-4
- 11th grade (Class of 2022): See pages 5-6
- 12th grade (Class of 2021): See page 7
